

Supplemental D6 Cross Country Rules - 2024

A. General

1. A Cross Country is a meet where rider ability is the determining factor. It is run over dirt roads, fire trails, woods and all
 - a. The PROMOTER, whose duty is to advise the Referee on matters of rider safety.
2. Any rider holding a pro-motocross license is required to ride the AA class.
3. Rider age shall be confirmed for anyone moving to a specialty class where age is a requirement (Veteran, Senior, Super Senior, Junior, Mini, Masters, and Peewees, etc.) as requested if protested.
4. An A & B Enduro or Motocross racing a Cross Country will ride at least B division or above.
5. The ribboned-off area of the scoring chicane shall be considered a safety area. Any section of the track where an EMT or track worker is attending to a downed rider is also considered a safety area and it will extend to 20 feet either side of the downed rider. If there is a course worker signaling a rider to slow down with hand motions or a flag, the safety area will start at that point.

Once a rider enters a safety area, they are to maintain an even safe speed, without hard acceleration or braking or anything that would kick up avoidable dust or dirt. There should be no passing in the safety zone unless another rider is completely stopped, and it is safe to pass. Failure to follow this rule will result in the rider being docked by one finishing position or more, up to disqualification from the event, subject to the referee's discretion.

B. Event Rules

1. The Riders Meeting will be conducted on the Start Line. All riders are responsible for attending. Machines must be dead engine during the Riders Meeting.
2. D6 is a dead engine start (with the exception of Pee Wees). When the track is cleared for the start:
3. Riders starting off with the wrong row will be penalized one (1) lap.
4. Riders missing the start of their class must enter the racecourse at the Start Line.

5. The machine a rider leaves the Start Line with is the official machine of the rider for that event and may not be switched during the event.
6. Quad riders are required to start the event with a working tether cord properly affixed to the Kill switch and attached to the riders' body.
7. Any rider that does not register for the race and races will not be entered into the race after its completion.
8. Any rider that pre enters for a race and does not check in at signup will not be put into the race if they race.
