

District 6 is a non-profit organization that has been around since 1961. We are a promoter and supporter of motorcycle riding and racing on and off the road. We work closely with the American Motorcyclist Association and many motocross clubs, track owners and promoters all across central and eastern Pennsylvania and into New Jersey.

This year we will be hosting the "Henrietta classic" series in memory of Henrietta Steiner; a long time ambassador of motocross racing in District 6. The series will consist of 13 race events at a minimum of eight different tracks. We will have factory contingencies at all events and depending on the finish of each racer, they would have an opportunity to win cash prizes from the manufacturer of the motorcycle which they race. This, in turn, draws out an average of four hundred racers!

We provide free giveaways at every round for our riders, We have instructional classes for all ages and skill levels. As a matter of fact, we have planned multiple motocross schools this year at different tracks. We have certified instructors as well as passionate invested riders, who want to help others and give back to the sport they love.

In addition to everything motocross, we also offer academic scholarships and awards to worthy candidates, and stress the importance of taking academics seriously.

Through the help of sponsors' support, this past year, District 6 ranked 3rd in the nation with the number of riders to compete in an AMA sanctioned event. Not long ago, we were number 1 and we are striving to get back to being the best in the country.

We are very passionate about the sport of motocross and strive to do the best we can, for the riders, clubs, promoters, and our sponsors. With your help, we can continue to grow the sport of motocross and offer our riders and their families better events and a better race series.

Below, you will find the different aspects of how you can help our organization strive to become bigger and better than it has been. We sincerely, appreciate your time and hope that we can count on you for your support.

Please, keep in mind, that in addition to sponsoring and advertising with us, we are also open to any product donations; as we are always looking for great products for giveaways to our riders at all events. Being that we are a non profit organization, all donations are tax deductible.

Sponsorship opportunities are as follows:
